- Lead the development of new clients.
- Actively manage the local office and take responsibility for the Stellar experience of new and existing Wellington staff.

Work Experience

- Leader in the engineering, construction or project management industry.
- Conversant in all aspects of Stellar's multi-disciplinary offering.
- Demonstrated ability to work collaboratively across teams of talented professionals.
- Proven track record in the consulting environment.
- Local to the Wellington region with an established network

Education

- Bachelor's degree or higher in a relevant discipline

Key Skills

- Strong people leadership capability, comfortable managing teams of diverse experience and backgrounds across disciplines.
- Proven track record in business development initiatives.
- Sound commercial acumen with understanding of strategic business goals and day-to-day business operations.
- Ability to quickly and effectively establish working relationships with our discipline teams and clients.
- Strong written and verbal communication skills, with the ability to express complex ideas in a simply understood manner.

- Ability to work under pressure and maintain a clear assessment of requirements and priorities.
- Strong attention to detail, able to focus on critical elements, while remaining mindful of the big picture.
- A highly motivated and autonomous individual who values being part of a talented team.

Why Stellar Projects?

Our company boasts a strong and dedicated team, delivering a wide variety of projects to an enviable range of clients. We understand the importance of providing a great experience for our stakeholders - both internal and external.

We have grown to over 65 staff in a short space of time (the company was founded in 2013). Our success is largely due to the high calibre of personnel we attract and retain, with specialists in a wide range of services: advisory, planning and consents, project management, design, construction, quantity surveying and asset management.

We continue to expand and deepen our service offering to clients and are committed to providing a great working environment for staff. If being part of a dynamic and innovative team, with opportunities to showcase your ability, motivates you, then we believe we can offer you great career progression. An attractive benefits package is offered.

Please submit your CV and cover letter (outlining the reason for your interest in this position and indicating the match of your skills and experience to our job requirements) to Alison Clarke (alison.c@stellarprojects.co.nz, 027 700 9443).
