JOB DESCRIPTION

- Opportunity to have a stake in a wide variety of land development, infrastructure and community-based projects.
- Great team environment.
- Dynamic, fast-growing company with enviable projects.

We are looking for an exceptional planner to lead our Wellington planning team. If this is you, contact us!

ABOUT THE ROLE

Reporting to the Planning Manager, the primary objective of this role is to lead and manage our Wellington planning team in the successful delivery of our projects. Our Wellington planning team works with a diverse group of valued clients across a range of sectors including residential, commercial, community and infrastructure projects.

KEY OUTPUTS

- Providing technical leadership whilst also guiding and supporting the planning team.
- Drive a business development strategy for the team with support from senior management.
- Proposal preparation, job delivery, work planning and financial management tasks.
- Show initiative and provide practical advice to identify solutions to job-specific challenges.
- A team player keen to advance his/her skills and truly be an asset to the Stellar Projects brand.

WORK EXPERIENCE

- Minimum 10 years' New Zealand experience in the planning field. Prior management experience would be a strong advantage.
- Local to the region with an established professional and client network.
- Demonstrated ability to work collaboratively across teams of talented professionals.
- Proven track record in the consulting environment.

EDUCATION

- Bachelor's degree or higher in a relevant discipline (Resource & Environmental Planning, Urban Planning or similar).
- Recognised associations such as NZPI membership would be an advantage.

KEY SKILLS

- Excellent people leadership capability, comfortable managing a team of diverse experience and backgrounds.
- Sound technical expertise in the planning field.
- Passion for business development and the ongoing management of client relationships.
- Ability to quickly and effectively establish working relationships within the organisation and with external stakeholders.
- Strong written and verbal communication skills, with the ability to express complex ideas in a simply understood manner.
- Financial acumen relating to workload forecasting, invoicing and profit/loss analysis.
- Ability to work under pressure and maintain a clear assessment of requirements and priorities.
- Attention to detail, able to focus on critical elements, while remaining mindful of the big picture.
- A highly motivated and autonomous individual who values being part of a talented team.

WHY STELLAR PROJECTS?

Our company boasts a strong and dedicated team, delivering a wide variety of projects to an enviable range of clients. We understand the importance of providing a great experience for our stakeholders - both internal and external.

We have grown to over 80 staff in a short space of time (the company was founded in 2013). Our success is largely due to the high calibre of personnel we attract and retain, with specialists in a wide range of services: advisory, planning and consents, project management, design, landscape architecture, construction, quantity surveying and asset management.

We continue to expand and deepen our service offering to clients and are committed to providing a great working environment for staff. If being part of a dynamic and innovative team, with opportunities to showcase your ability, motivates you, then we believe we can offer you great career progression. An attractive benefits package is offered.
